

2008-09 FLORIDA GATOR BASKETBALL • THE FLORIDA EXPERIENCE

# FLORIDA BASKETBALL COMPLEX

The Basketball Complex underwent a \$1.8 million facelift that was completed in September of 2007, when dynamic floor-to-ceiling graphics, display cases and video displays were installed throughout the building.

*Florida's state-of-the-art basketball practice facility opened in October of 2001, with the initial \$10 million securing the two-story, 47,505-square foot facility highlighted by full-sized practice courts for both the Gator men's and women's teams, in addition to the coaches' offices and team locker rooms.*

BIGGER AND BETTER

# FLORIDA BASKETBALL COMPLEX

The player locker room contains spacious lockers, as well as a lounge and complete shower facilities, in addition to the team video room. Custom super graphics and panels inside and outside the locker room were part of the 2007 facelift.

The video room inside the locker room offers raked auditorium seating for 24 people, video and overhead projection and white board.

The Terry Frost Women's Practice Court features six baskets, Conner (Uniforce with NIKE Grind) wood floor and observation/video taping balcony. As part of the 2007 facelift, a Coach's Command Center with internal AV equipment is housed behind thick plex along the wall of the practice court for coaches and players to watch immediate on-court video.

The athletic training room, which houses its own whirlpool, is conveniently located steps away from the practice court.

The 1,900-square foot weight room features multiple strength and conditioning stations and ample room for agility and care drills, while providing office space for the strength coaches. Part of the 2007 facelift included dynamic super graphics displayed along the walls of the weight room.

Images of Gator All-Americans adorn the corner between the hallway's to the team locker room and the training room, practice court and weight room corridor
