ACCOUNT IDENTIFICATION NUMBERS:

You have been assigned an account identification number. This number appears on your ticket order invoice. Please refer to this number when you send any correspondence or contact the Gator Ticket Office.

NEW ORDERS FOR SEASON TICKETS AND ADDING SEASON TICKETS:

Each year the Gator Ticket Office fills orders for new season football tickets based on availability after the renewal deadline. Seating is available in most areas of the stadium, which is based on per seat contribution. It is encouraged that a contribution at one of the booster club levels listed below be made to secure the best available seating, however customers may contribute at the per seat level to secure tickets.

Currently the Gator Ticket Office is accepting season ticket orders for as low as \$175 per seat contribution, plus ticket price of \$280 per ticket. Gator fans are encouraged to place a season order TODAY to lock in their seats at this low rate. All season tickets are renewable annually.

Current season ticket holders may add seats to their existing account; as long as they fall within the club level limits listed below and meet the minimum booster contribution requirements.

PAYMENT OF TICKETS AND BOOSTER CONTRIBUTION:

Payment of Booster contribution and payment for season tickets may be combined and made payable to the University Athletic Association, Inc., or payments may be made separately. If you separate your payment, the Booster contribution should be made payable to Gator Boosters, Inc. and payment for your season tickets made payable to the University Athletic Association, Inc. Payment can be made by check, Visa, MasterCard, American Express or Discover. **Effective August 2009, Gator Boosters, Inc. no longer accepts payment for booster contributions through donor advised funds. The IRS prohibits accepting gifts from donor advised funds for annual booster contribution payments because a taxpayer could otherwise obtain a 100% charitable contribution for a deduction for a payment that qualifies for an 80% deduction. For further information on these types of funds, please contact the Gator Booster Office (800-344-2867 ext. 5000).**

Ticket and Booster payment will only be accepted from the person or company of the current season ticket holder. If this identity cannot be verified, the order will be returned. If payment is made at the Ticket Office, this verification of identity is required for acceptance of order. The Gator Ticket Office discourages payment by cash. **THESE SAFEGUARDS ARE NEEDED TO ASSURE CONTRIBUTORS THAT PRIORITIES ARE BEING USED BY THE PROPER PERSON AND HAVE NOT BEEN PASSED ON TO INELIGIBLE USERS.**

NOTE: Gator Boosters, Inc. has postponed a regularly scheduled per-seat increase for football season tickets to alleviate financial concerns for fans in the midst of a sluggish economy. As a result, a University of Florida football season ticket will remain one of the least expensive in the Southeastern Conference based on next season's pricing structure.

ATHLETIC EDUCATION FUND

If you would like to support and contribute a \$100 or more donation toward the Athletic Education Fund, please check the box on your ticket order form and include this payment with your order. This contribution is a ticket-related donation; therefore, priority points will be granted for every \$100 contribution.

FLORIDA-GEORGIA TICKETS:  vs. 

Florida-Georgia tickets may **ONLY** be ordered on the single game order form that you will receive in April-May.

DISABLED SEATING & PARKING:

Persons with disabilities requiring assistance or information may contact the Gator Ticket Office at (352) 375-GoUF. The speech and hearing impaired may call the Florida Relay Service at (800) 955-8771 (TDD). If wheelchair seating is required, you must indicate this on your order form. Handicap parking is available in designated locations on the northeast side of the stadium with a state-issued permit from any State.

GATOR BOOSTER PRIORITY POINT SYSTEM:

The value of the points is based on A) One (1) point for each \$100 of contribution to Gator Boosters toward football, and B) Five (5) points for each consecutive year of ordering season tickets. For additional information, please visit www.gatorboosters.org.

GIFTS IN KIND:

Contributors wishing to assist the Gator athletic program and reach club levels above their cash per seat contributions may want to provide goods or services in lieu of cash. These types of gifts may be in the form of items needed by the Athletic Association to reduce its budget. They may include necessary items such as special equipment, office supplies, office furnishings, and golf course equipment. Per seat contributions are still required when ordering tickets. Please contact the Gator Booster Office, (800-344-2867 ext. 5000) for more information.

RECLAIMING BOOSTER STATUS:

- A Gator Booster may reclaim his/her seats each year provided his/her ticket order is received and the contribution for his/her required contribution is paid by the deadline. Seats obtained over and above the club level maximum must be accompanied by a per seat contribution.
- **If you previously obtained seats through any Club Membership, that Club Membership level must be maintained to reclaim seats from year to year.**
- Priorities established in the name of (and paid for by) a company or corporation may not leave said company or corporation.
- **Deadline for reclaiming same seats is MARCH 23, 2012. Ticket orders postmarked after that date will be filled as a new order.** To ensure correct priority, ticket orders must be placed in the same name as the booster contribution.

RESELLING OF TICKETS:

Due to the limited supply and very high demand of tickets for season, away and post-season games, many season ticket holders do not have the opportunity to purchase tickets. If for any reason you find that you will not be able to use your tickets for a particular event you may call the Gator Booster Office at 352-375-4683, ext. 5071 and we will be glad to offer your tickets at face value to other Gator Booster members who are trying to obtain tickets. The UAA does not condone the reselling of tickets for profit. Tickets are the property of the University Athletic Association, and if a ticket holder is abusing his/her ticketing privileges the University Athletic Association reserves the right to revoke them.

INHERITANCE/TRANSFER:

Gator Booster members can contact the Booster Office for transfer guideline information and application form by calling (352) 372-8489 or (800) 34GATOR.

MAILING OF TICKETS:

There may be requirements for the Ticket Office to use a method of delivery of your tickets other than the US Postal Service. This delivery method may be via FedEx or UPS, both requiring a physical address. Therefore, if you have a P.O. Box address on file with the Ticket Office, please also provide a physical address that may be used as a secondary address. Please include this information on the ticket order form.

ADDRESS CHANGES:

If your address changes after you have ordered, you should contact the Gator Ticket Office in writing immediately. (Fax: (352) 372-5801). If address changes are received after May 1st, the Ticket Office cannot guarantee your tickets will be mailed to your new address. You will be responsible for making your own forwarding arrangements with the Post Office after May 1st. Tickets are mailed First Class and will be forwarded to the new address.

HOW DOES GATOR BOOSTERS WORK?:

Gator Boosters, Inc. is a 501(c)(3) not-for-profit organization. Membership requires a minimum contribution of \$100.00. Gifts to Gator Boosters provide scholarship endowments for UF student athletes and improve Gator athletic facilities. If you itemize on your tax return, all or a portion of your payment to Gator Boosters, Inc. may be deductible as a charitable contribution deduction for income tax purposes. Gator Boosters will receipt the gift portion of your payment. Please consult your tax advisor to determine the deductibility of your contribution to Gator Boosters.

Contributions that are made to obtain or reclaim football season tickets will be applied entirely toward football. Contributions to the University of Florida Foundation or Alumni Association are applied toward the academic operation of the University and have no bearing on ticket priority.

GATOR BOOSTER PARKING INFORMATION:

The Gator Booster Priority Point System is used to determine availability and assignment of parking. As a new member who desires parking, a minimum of a Scholarship Partner (\$2800) contribution is required. Note: Fighting Gator members (\$2300) prior to 2008 are grandfathered in and may continue to receive parking. Questions concerning Booster game day reserved parking should be directed to the Gator Booster office, 352-375-4683 ext.5000.

FACULTY AND STAFF:

- Faculty and Staff who are current season ticket holders may reclaim the same number of seats currently held. **Currently all Faculty and Staff ordering for the first time will be limited to two (2) season tickets at \$280 per ticket with no contribution requirement.**
- Faculty and Staff are defined as, "Persons, who by virtue of their employment, are entitled to salaries, wages, and benefits (health insurance & retirement) from the University of Florida, are considered to be UF Faculty, A&P and USPS Staff." Courtesy Faculty may order season tickets as a Gator Booster. If current Faculty & Staff season ticket holders are not assigned seats in designated F/S areas, which are Sections 4,6, parts of 36, and 65, the Ticket Office has the right to relocate them into these areas when seats become available.
- Faculty & Staff may retain their season tickets upon retirement from the University of Florida, as long as the tickets were obtained when the person was an active member. Retirement must be verified by the University, in writing, indicating Retirees are receiving full benefits of retired status. Faculty and Staff tickets can be transferred only to spouses and only upon death of retired faculty/staff member. The UAA Ticket Office administers these transfers.

CODE OF CONDUCT:

Individuals found violating the Gators' Fan Code of Conduct can be removed from the stadium. Non-students, while not affected by the Student Conduct Code, are subject to arrest and prosecution under applicable laws and state statutes. Offenders' names will be forwarded to the UAA by law enforcement representative reporting the citation. Season ticket holders are responsible for the behavior of anyone using their tickets and would be subject to this policy of the person using their ticket violates the Code of Conduct. The University Athletic Association reserves the right to remove the ticket holder from the premises if in the sole opinion of the security personnel his or her conduct endangers or disrupts the players, coaches, officials or fans.

A season ticket holder determined responsible for violation of the Gator's Fan Code of Conduct shall be subject to sanctions commensurate with the offense and any aggravating and mitigating circumstances, which may include one or more of the following. For ejections, the offender and/or season ticket holder will receive a letter or warning for the first offense. For the second offense, the season ticket holder may lose his/her season ticket privileges for the remainder of the season. For the third arrest, the offender and/or season ticket holder may lose future season ticket privileges.
